# The Rainbow Connection

By: Paul Williams and Kenny Ascher

*Why are there so many songs about rainbows,*
*And what's on the other side?*
*Rainbows are visions, but only illusions,*
*And rainbows have nothing to hide.*

*So we've been told, and some choose to believe it;*
*I know they're wrong; wait and see.*
*Someday we'll find it, the rainbow connection;*
*The lovers, the dreamers, and me.*

*Who said that ev'ry wish would be heard and answered*
*When wished on the morning star?*
*Somebody thought of that, and someone believed it;*
*Look what it's done so far.*

*What's so amazing that keeps us star-gazing*
*And what do we think we might see?*
*Someday we'll find it, the rainbow connection;*
*The lovers, the dreamers, and me.*

*All of us under its spell;*
*We know that it's probably magic.*

*Have you been half asleep and have you heard voices?*
*I've heard them calling my name.*
*Is this the sweet sound thatcalls the young sailors?*
*The voice might be one and the same.*

*I've heard it too many times to ignore it.*
*It's something that I'm s'posed to be.*
*Someday we'll find it, the rainbow connection;*
*The lovers, the dreamers, and me.*

*La- la- la . . .*

# MUSIC

# EIGHTY one

*What is dedication? Defined, it is self-sacrifice and devotion. James Warren has given this to Gauley Bridge High School; this and so much more.*

*When Mr. Warren started directing the band, he instilled in his students, and all who worked under him, a desire to "give it all you got"; with this desire came results. The Glee Club and band showed it in their performances. Also with Mr. Warren came a new innovation in high school music; the stage band.*

*The first year, only seven students were in the stage band. Since this was a new idea in high schools, Mr. Warren could find no suitable music for his group. What did Mr. Warren do to compensate for this lack of music? He wrote his own; as he did every year until he could buy some. This is just one example of his self-sacrifice and devotion. Dedication to his activities and his music.*

*Every year, for many years, Mr. Warren has been a senior sponsor. The sponsors of the classes are present at class meeting and functions, and help out with class projects. One of these projects is the building of the class float for the Homecoming parade. Mr. Warren stayed with the seniors until all the work was done and then he stayed to help clean up. He did more for the class than just supervise. Another example of self-sacrifice and devotion. Dedication to his job and his students.*

*There are hundreds of other ways Mr. Warren deserves this honor. Not only is he dedicated, but he is a great teacher, musician, and friend. He is as wise a man as you'll hope to find and he lives life to the fullest. Henry David Thoreau surely must have had James Warren in mind when he said "To affect the quality of the day is the highest of the arts".*

*We sincerely hope, that in many years to come, students will continue to benefit from Mr. Warren's love and understanding.*

*In the words of the man himself, "Never B#*
*Never Bb*
*Always B4."*
*Natural. That in a word exemplifies Mr. Warren. Unique, original, . . . . sensational! WE LOVE YOU!!!!*

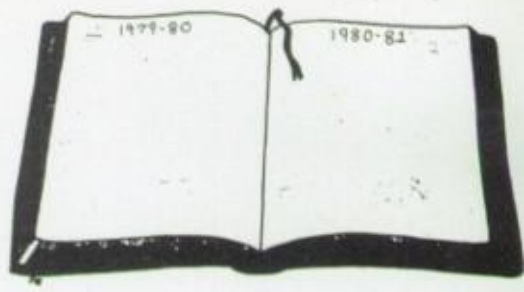
# SENIOR PREAMBLE



*We, the Gauneka Staff of 1981, turned back the pages of time to provide the Seniors with a nostalgic look at the joys and sadnesses of their high school days. Journey back through time with us and reminisce.*

*As we open the front cover to the first page of our memory book, we find ourselves transported back to our freshman year in high school - 1977-1978. This began for us a new and exciting part of our lives. Of course changes were made, and many found themselves in larger surroundings. Getting lost was no hard task but new friends, new experiences, and new activities made this humiliation a little easier to take.*

*The first order of business for us as freshman, after finding our way around, was the election of class officers. This proved difficult because, coming from three or four different schools, we did now know enough about each other to judge who would be the best person for each job. We did select officers though; Lisa Whiteside as president, Cara Keenan as vice-president, Karen Richmond as secretary, and Julie McKnight as treasurer.*

*As inexperienced "greenhorns", or "rookies" as many preferred to call us, the building of our Homecoming float seemed to be a major obstacle. But after everyone pitched in and got started, we viewed it as more fun instead of plain hard work. We chose the theme, "Charge it to the Pirates" and even though we thought our float was the best, we only received fourth place. Our homecoming attendant, chosen by our class, was Julie McKnight. She was escorted by Terry Johnson. We lost our Homecoming game that year but we did beat arch rival Valley-the first time in seventeen years.*

*Along with these new experiences, there also came sadness. One of the seniors at Gauley Bridge, Ray Divita, was killed in a car accident. He died on March 3, 1978 and the loss was felt by everyone.*

*As the page is turned we find ourselves in the year 1978-1979. We were past our "rookie" stage; experienced? Not by a long shot. As sophomores we were now one up on the incoming freshmen, but we still had a long way to go.*

*Class elections, were easier on us this time around since we now knew everyone in our class. This year as president we chose Lisa Coleman and her vice-president was Cara Keenan. We chose Penny Hannigan and Jean Glenn respectively for secretary and treasurer.*

*At Homecoming, we jumped right into work on our float and came up with the slogan, "Travellers are Master of this Ship." The judges seemed to think this was a better float than the one we had the year before so we got second place. Tammy Grose was elected as our Homecoming attendant and was escorted by Jim Boley.*

*Our class had a first that year in the Sweetheart Dance. There had been Sweetheart Dances before but not for a few years. We enjoyed this project and we also enjoyed the fact that the sophomore candidate for Miss Sweetheart, Cara Keenan, won the title.*

*Now we are back in the year 1979-1980; the junior year that everyone looks forward to. This year brought class rings, the prom, and no longer being an underclassman.*

*The officers from the year before apparently did an adequate job because there was only one change. Laureen Holstein was elected as treasurer for our junior year.*

*This was the year of Chemistry, Algebra II, and, believe it or not, a lot of fun times with all the hard work.*

*Our attendant to Miss Traveller was Vicky Underwood; her escort was Jim Boley. The theme for our float was "Swallow up a Victory". This was a lucky year for us because we won!*

*Our attendant to Miss Sweetheart was Julie McKnight.*

*As spring rolled around our thoughts turned to the prom; the prom which we would put on for the seniors as a last gesture of thanks. It took a lot of work over long hours but in the end we were awarded by a job well done. The guest band for the event was Natural High who did a great job supplying music for us to dance to.*

*Again, though, a poll was thrown onto the school year by the death of friends and loved ones. Tragedy struck twice by claiming an alumni of Gauley, Angie Wagner, and a fellow classmate, Robert Phillips. These losses were unbelievably painful and will be felt for some time.*

*On the following, and final page, we find our senior year. Our year; 1980-1981. This was the time for easy classes and a large epidemic of that dread disease, "Senioritis."*

*Officers again had only one substitution. Patricia Wright was elected to the office of vice-president.*

*During Homecoming week we went out in style by winning the float competition with the slogan, "Travellers are Trained to Win." We selected Karen Richmond as Miss Traveller and Kevin Bird as Mr. Traveller. Our senior attendant, Lisa Coleman, was escorted by her brother, David.*

*Again we had the pleasure of having our candidate for Miss Sweetheart win the competition. It was Lisa Coleman.*

*This was a year of endings, but also of beginnings. After four years of anticipation for a drama club, a play was put on. The new addition to the school was finished and we, the class of "81, were the first class to graduate from the auditorium.*

*Once more the hand of death reached out and touched some most dear to us. Robert Hartley, Kelly Farha, and David Hawkins, all recent alumna of Gauley High School, were killed. We would like this remembrance to be for all of our friends and classmates that died during our four years at Gauley High.*

*As freshmen we experienced many firsts and seniors many lasts. This was a very exciting and emotional year for all of us; one that we will look back on with fond memories. This was our year and as it drew to a close we faced a whole new world.*

*Many of us faced starting over again as freshmen, and all faced starting a new experience, but we knew whatever path we chose, memories and good thoughts would keep us ever together.*
